"DOROGO managed our guest transport across all three days of our wedding. I didn't receive a single message from a guest saying they couldn't find their car or didn't know how to get back. Even when my mother's flight was cancelled, the team reorganized her transfer without needing to call us."

"Huge thanks to DOROGO's chauffeurs and transport coordinators during our Lake Como wedding. We had 70 guests flying in from abroad and they provided 12 Mercedes V-Class vans across 2 days at our guests' disposal. 5/5 for organization, chauffeur professionalism, and flexibility."
